

2023 ANNUAL REPORT

COME OVER AND HELP US

Paul and his companions traveled throughout the region of Phrygia and Galatia, having been kept by the Holy Spirit from preaching the word in the province of Asia. When they came to the border of Mysia, they tried to enter Bithynia, but the Spirit of Jesus would not allow them to. So they passed by Mysia and went down to Troas. During the night Paul had a vision of a man of Macedonia standing and begging him, "Come over to Macedonia and help us." After Paul had seen the vision, we got ready at once to leave for Macedonia, concluding that God had called us to preach the gospel to them. Acts 16:6-10

Stewards around the world are crying for help. In 2022-2023, GTP responded with strategic moves to serve the underserved. We prayed for open doors and provision, added staff, and boldly charted a course, sailing into the unknown like Paul and his companions. This required great faith, and God blessed us in unanticipated ways.

Enjoy the 2023 Annual Report. It shares how GTP "comes" and "helps" stewards in faraway places to follow standards to have flourishing and sustainable churches and ministries. I hope this report inspires you to join us in this work. Praising God for a fruitful year. With you!

PROGRAMS

GTP has four programs: Teaching, Training, Teamwork, and Toolbox. Staff deliver them 2x2 with board members, regional facilitators, country coordinators, and others. In the following pages, read about the reach and impact of these programs in 2022-2023. Give thanks to God for the fruits.

TEACHING

We deliver biblical instruction to form stewards who can teach others about faithful administration and help ministries flourish.

TRAINING

We offer two types: responsive trainings address regional needs and replicable trainings empower participants to train others globally.

TEAMWORK

We collaborate with regional facilitators to serve national workers and help them set up or strengthen local peer accountability groups.

TOOLBOX

We provide digital resources to individuals and matching grants to groups to help them grow trust and greater local giving.

Mindset Change in Latin America

"I am thrilled to help pastors and Christian workers in Honduras to have a different mindset. We have to be awake to our role. We shouldn't simply wait to receive fish. We need to learn to fish. This passion led me to accept the role of GTP Country Coordinator. In this volunteer role, GTP will continue to help me apply what I learn as a conduit of blessing to workers in my country."

HIGHLIGHTS

Building a Culture of Integrity in Latin America

In April 2023, GTP spoke to an estimated 4 million people on TV, radio, and newsprint interviews in one weekend.

“Guatemalans now understand that ordinary people can live out biblical teachings, ministries can follow God's standards, and reform can happen. GTP loved Guatemala well today and there will be great impact because nothing can touch love.” **Kareen Gudiel, GTP Board Member (Guatemala)**

Serving the Underserved in Francophone Africa

GTP brought biblical training and practical tools to Benin, Côte d'Ivoire, Senegal, and Togo and linked ministries to AfCAA for accreditation.

“The biblical teaching and group interaction created momentum. People expressed great interest in the AfCAA standards. We will water what has been done today so that the outcome will move from intentions to accreditations.” **Comlan Prosper Deh, GTP Board Member (Togo)**

PARTNER

International Accountability Consultation with CIM

On 2-5 May 2023, CIM and GTP rallied an international team of presenters to deliver papers and interact with 204 workers from 34 countries. Participants discussed the importance of accountability to peers, to God, and to the government for organizational flourishing in the post-pandemic world.

Spreading Trainings in Latin America

"When I discovered GTP, I found practical trainings that contained biblical principles. The trainings not only answered common questions, they became tools for me to use to help others. This matched what I have been praying for! I am so excited to serve as Country Coordinator for Guatemala and to spread the impact in Latin America." **Saraí Suchite, Founder and Director of Manos Unidas and Honey World (Guatemala)**

HIGHLIGHTS

Mobilizing Country Coordinators in Latin America and Africa

GTP hosted regional events in Panama (37 workers from 13 countries) and Zambia (38 workers from 16 countries, pictured at right) and activated these workers to spread trainings.

“What a tremendous time! We treasure in our hearts every detail of what our GTP has equipped us to put into practice.”
Hector Hinojosa, GTP Country Coordinator (Chile)

Empowering Persecuted Pastors in Southeast Asia

GTP trained 82 pastors in Cambodia and Laos to spread Stations of Generosity through their networks of churches. For their safety, we must keep their identity anonymous.

“Stations of Generosity reminded me to care for not just the spiritual needs of people but also their physical needs. This training showed us how generosity can transform our communities.” **Unnamed Pastor (Laos)**

Palmful of Maize with STUM and GenerousChurch

Palmful of Maize (POM) aims to grow the church in Malawi by spreading the joy of giving to every child. In 23 of 28 districts, we report:

- 3,077 teachers and volunteers trained
- 20,178 children participating in POM
- 1,042 churches engaging participants
- 13,250 kg of maize contributed to churches
- 1,157 people receiving compassionate care

The impact exceeded expectations, so we made a video to spread the story worldwide.

Building a Ministry Team in South Asia

"I experienced On Demand Journey of Empowerment. It was life-changing! It taught me to engage others with collaboration and accountability. I saw this in the examples of Esther, Ezra, Nehemiah, Jesus, and Paul and by watching the GTP training team as they listened and served others humbly. GTP has modeled the true meaning of Jesus-centered ministry."

HIGHLIGHTS

Creating Contextualized Curriculum in Southeast Asia and Africa

GTP partnered with GenerousChurch to do Generosity Design Labs (GDLs) to develop discipleship materials for growing generosity in networks in Ethiopia, Indonesia, Philippines, and South Africa (pictured at right).

"I see that more can be done if there is generosity within the church. There will be more harvest as we start the engine of generosity." **Rev. Dr. Anton Tarigan, Member, WEA Decade of Disciplemaking Task Team (Indonesia)**

Activating PAGs in Latin America and the Caribbean

GTP served national workers in Bolivia, Brazil, Colombia, Costa Rica, and Jamaica (pictured at right) to form peer accountability groups (PAGs) to strengthen churches and ministries with standards and accreditation.

"When GTP agreed to help me form the PAG for Brazil, like ECFA in the USA, I said I am all in! I am excited about what God has in store for us and for Brazil." **Rafael Bandeira, President, Brazilian Mission Fund (Brazil)**

Strengthening Governance in South Asia

"I completed the GTP Diagnostic Tool, which I found to be particularly helpful. It has provided a practical tool that has enabled a simple method for a 'health check' of our board. This has been invaluable. I want to encourage anyone reading this to take the time to do the GTP Diagnostic Tool and download the Templates that surface for your situation. Do this and you will find helpful resources you can adopt or adapt to your situation."

HIGHLIGHTS

Visiting War-torn Eurasia

GTP visited Ukraine to serve the suffering and to meet with a newly formed alliance to discuss how standards can rebuild churches and ministries.

“We don't get many visitors and your visit really encourages us. It really helps us that you brought support.” **Andrey Kratsev, Founder, Hope Family Center Saltivka (Ukraine)**

Translating Resources in South America

Ministérios Pão Diário published *The Sower*, *The Choice*, and *The Council* in Portuguese. GTP has also made resources available in other languages.

“I downloaded GTP devotionals in Spanish and met weekly with volunteers in our network. The resources refreshed our lives.” **Pilar Cancinos, Coordinator, RAP KIDS GLOBAL (Colombia)**

PARTNER

Flourish devotional in Ukrainian with Tavariski Christian Institute and Russian with Mission Eurasia

The relief efforts in Ukraine and the refugee work in neighboring countries often focus on the physical concerns and conditions of people. To serve the spiritual needs of caregivers, internally displaced persons, and refugees, GTP collaborated with Tavariski Christian Institute and Mission Eurasia to translate the *Flourish* devotional into Ukrainian and Russian and distributed it through a newly formed alliance of ministries.

Prayer Journal and Monthly Global Prayer Hour (MGPH)

We send Prayer Journal monthly to a list of intercessors. Each edition features one of the 12 regions where we work. Then, on the third Wednesday of every month, we gather for Monthly Global Prayer Hour (MGPH), our most important day of the month. We pray for GTP and the needs of those who join us. We've seen God do wonders and open unimaginable doors in response to prayer.

EXPENSES

Our statement of functional expenses showed that we invested 72% in program services (up from 69% last year), 21% in general and administrative expenses (down from 22% last year), and 7% on fundraising (down from 9% last year).

Why the shift in funding allocation? Program services rose as travel and onsite events increased. General and administrative, and Fundraising costs decreased as cost efficiencies increased. Our auditors continue to applaud our financial health and functional expenses.
