

2024 ANNUAL REPORT

ORDER AND OVERSIGHT

I left you behind in Crete for this reason, so that you should put in order what remained to be done and should appoint elders in every town, as I directed you. Titus 1:5

We can trace the growth of the early church back to these instructions from Paul to Titus. Paul knew that every church needed two things to flourish with sustainability in a world filled with hostility: order and oversight. The early church councils reveal the presence of both.

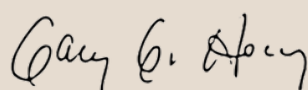

In 325, at the Council of Nicaea, 318 overseers from across the Mediterranean world drafted a creed to proclaim the divinity of Jesus and bring unity to the church. In 381, at the First Council of Constantinople (now Istanbul), 150 overseers added words about the Holy Spirit. This resulted in the Nicene Creed (see next page) and reveals the power of order and oversight.

In October 2023, I spoke at the World Evangelical Alliance Future of the Gospel Forum in Istanbul, Turkey. On that trip, I got to visit the Hagia Irene (pictured on the cover) where the 150 overseers of the First Council of Constantinople met and made the final edits to the Nicene Creed beneath the cross on the ceiling (pictured on next page).

This experience renewed my zeal to spread order and oversight worldwide with GTP. Like Paul, we teach stewards to follow standards to have order and to implement governance with peer accountability to ensure oversight. Order and oversight positioned the early church for unity and sustainability. Enjoy the GTP 2024 Annual Report to see the impact of this today.

This report contains crosses, windows, and steps. The crosses represent the presence and power of Christ. The windows mark opportunities. And the steps reflect our work. We also included more pictures of people who serve with us. Praising God for the progress and these people!

With you.

Nicene Creed

We believe in one God, the Father, the Almighty, Maker of heaven and earth, of all that is, seen and unseen. We believe in one Lord, Jesus Christ, the only Son of God, eternally begotten of the Father, God from God, Light from Light, true God from true God, begotten, not made, of one being with the Father. Through Him all things were made. For us men and for our salvation He came down from heaven; by the power of the Holy Spirit He became incarnate of the Virgin Mary, and was made man. For our sake He was crucified under Pontius Pilate; he suffered death and was buried. On the third day He rose again in accordance with the Scriptures; He ascended into heaven and is seated at the right hand of the Father. He will come again in glory to judge the living and the dead, and His kingdom will have no end. We believe in the Holy Spirit, the Lord, the Giver of life, who proceeds from the Father and the Son. With the Father and the Son He is worshipped and glorified. He has spoken through the Prophets. We believe in one holy catholic and apostolic Church. We acknowledge one baptism for the forgiveness of sins. We look for the resurrection of the dead, and the life of the world to come. Amen.

PROGRAMS

GTP has 4 programs: Teaching, Training, Teamwork, and Toolbox. Staff deliver them 2x2 with board members, regional facilitators, country coordinators, course moderators, church ambassadors, and others. In the following pages, read about the reach and impact of these people engaging these 4 programs in 2023-2024. Give thanks to God for the fruits.

TEACHING

We deliver biblical instruction to form stewards who can teach others about faithful administration and help ministries flourish with governance.

TRAINING

We offer on demand certificate courses and onsite replicable trainings to empower participants to spread accountability and generosity in their context.

TEAMWORK

We collaborate with regional facilitators, country coordinators, and their country teams to serve national workers and help set up and strengthen peer accountability groups.

TOOLBOX

We provide digital resources for stewards and make matching grants available for peer accountability groups to help them build capacity to grow trust and local giving to God's work.

TEACHING

7,768
STEWARDS FROM

95
COUNTRIES AND
TERRITORIES

(up from **3,095** stewards from **75** countries and territories in 2022-2023)

GTP hosted regional events with global speakers to address relevant issues in contexts. Roger Lam (Hong Kong) and Michael Blue (USA) collaborated with GTP in Nigeria and Indonesia.

ROGER LAM: "SPIRIT-LED GOSPEL ON ETERNAL PROSPERITY"

"Roger's vulnerability blessed the people in Nigeria. It served as a model to workers who struggle to be vulnerable in the name of spirituality. It showed that real spirituality involves being vulnerable. I am grateful for the humility of the GTP team and for their fruitful service in my home country."

– Kehinde Ojo, GTP Board Member and IFES Program Director, Nigeria

MICHAEL BLUE: "FINANCIAL STEWARDSHIP AS WORSHIP"

"Michael clearly explained, based on the Bible, that the way we worship God is reflected in how we use our finances. The way we handle our money reflects our true priorities and shows whether we are worshipping God or worshipping material wealth (mammon)."

– Kenny Wirya, ICCSA Founding Board Member, Indonesia

IMPACT

GTP brought biblical teaching to Liberia and turned dependency into discipleship.

“We have started to experience the impact of applying the principles from the teaching - Strengthening Churches and Ministries for Sustainability - that Chris Maphosa and Gabrielle Fortunato delivered in our church. We have come to understand that we are the ones to contribute to God's work. Everyone now has agreed to contribute 100 Liberian Dollars monthly toward ministry and local work. People are taking responsibility.”

Karnplay Church of Nazarene, Liberia

GENEROSITY SUMMIT WITH CSA

GTP shared creative tools for multiplying stewards.

“I am excited to see what the fruit of GTP's participation in the CSA Generosity Summit is going to be in the coming days. I pray that this will push the generosity movement in the Philippines forward in a big way.”

Board Chair, Philippines

ON DEMAND COURSES

In 2023-2024, 167 stewards from 29 countries received certificates for completing JOE, When Money Goes on Mission, Faith & Finances, and/or The Choice.

“I was highly impressed with Journey of Empowerment (JOE). I can't tell you my excitement. My sister, Annie, has experienced On Demand JOE so she urged me to attend onsite. It was one of the best trainings of my life. I sense that God wants me to use my pastoral and marketplace experience, coupled with my theological education here in the Philippines as well as my wife's ministry experience to spread this to others to shape the future of ministry in my country.”

– Khuram Younus, International Graduate School of Theology Student, Pakistan

ONSITE STATIONS OF GENEROSITY

GTP trained and deployed 316 stewards in 20 countries to replicate Stations of Generosity to multiply faithful stewards in their contexts.

“I believe we now have enough people trained through Stations of Generosity to multiply organically. We have people trained from 4 of the 7 provinces in the country. I hope we can expand to reach the 84 cantones that make up these 7 provinces. This key training dovetails with the ministry of every church, charity, and mission organization across Costa Rica and Latin America.”

– Andy Miller, NZCMS missionary, ProMETA / COMIBAM mobilizer, Costa Rica

IMPACT

60 course moderators help GTP make 4 courses freely available to God’s workers in 134 countries.

“I pray that more Christian workers attend When Money Goes on Mission. You join a learning community that helps you go from being intimidated by fundraising to feeling inspired to play your role in resourcing ministry. When you serve as a storyteller and use tools like LOIs [Letters of Inquiry], God provides through people you know and surprises you by engaging others in His work that you never expected.”

8 MORE PAGs (PEER ACCOUNTABILITY GROUPS) FORMING

GTP activated working groups to draft standards and launch PAGs in Albania, Cayman Islands, Colombia, Costa Rica, Czech Republic, Hong Kong, Jamaica, and Slovakia.

“I met GTP at the WEA Future of the Gospel Forum. I thank God GTP came to Albania and ignited a movement to grow accountability and generosity in churches and ministries. The biblical teaching on standards inspired us to pursue peer accountability both for Albania and the Balkans. But it has to start with us.”

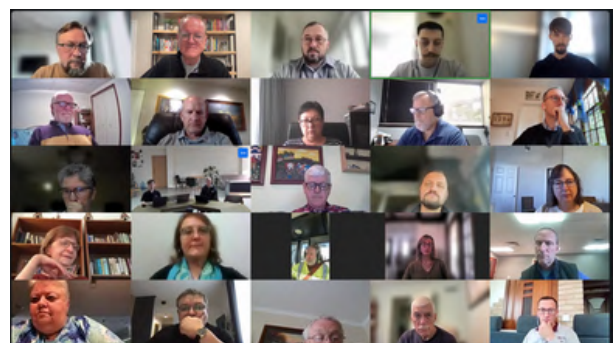

– Ergest Biti, President, VUSH (Vëllazëria Ungjillore e Shqipërisë), Albania

HELPING CARIBBEAN AND EURASIAN SEMINARY ALLIANCES

GTP coaches seminary alliances to follow standards to grow accountability and generosity. This impacts their students and shapes the future of Christian ministry in their countries.

“When we work alone in ministry, it quickly becomes tiring. When we build a team, we unleash the potential of others and multiply the possibilities for ministry outreach. Thank you GTP for expanding the vision of how to grow theological education outreach!”

– Oksana Denysuik, Dean Transcarpathia Christian Institute, Ukraine

IMPACT

These workers from Mayordomos de la Fe de Costa Rica formed a PAG in less than one year.

“After GTP’s visit, 14 volunteers from different churches and ministries (each with different skills and degrees) met for a time of fasting, confession, and prayer. The Lord revealed to us the name of the group to be Mayordomos de la Fe Costa Rica, which means ‘Stewards of Faith of Costa Rica.’”

GTP received a 5-year grant from the Lilly Endowment to bring order and oversight to Spanish- and Chinese-speaking churches in the USA and abroad. So, we added staff, sent them to ECFA in the USA to build bonds and get tools, and started forming Spanish and Chinese prayer, research, design, and program teams.

PROVIDING TOOLS FOR CHRISTIAN WORKERS IN CHINA AND INDIA

“The GTP event was cleansing, affirming, and strengthening for us. The Choice moved us to repent and get on the kingdom path. We came feeling stretched and lost in panic, but now we are confident. The biblical teaching and practical tools give us structure and direction. I am so passionate about this content that I want to volunteer for GTP in China.”

– Unnamed Christian Worker, China

“When GTP spoke on oversight, it was new for people so they appreciated that it came from a biblical perspective to help them first put their hearts in order. From there, GTP related the content to the Indian context to show participants how to put their house in order with standards and get accredited. They went away thanking me for the opportunity.”

– Unnamed Conference Coordinator, India

IMPACT

GTP ebooks are available in 7 languages.

“So blessed by what I read through the emails and other resources from GTP, I discerned from God that we needed to share them with our community. We used the devotionals as a basis for our preaching and exhortation, especially those on giving and generosity. We modified and contextualized them to fit our theme... to form a contemplative community.”

PARTNERSHIP

GTP engages people in partnership work in 4 areas: prayer, communications, transparency, and service. We take faithful steps to invite participation with us and celebrate any growth as a gift from God. As GTP grows and fruit abounds on the trees of those we serve, the Kingdom of God expands. Read about the reach and impact of our intentional efforts in 2023-2024.

EXPENSES

Our statement of functional expenses showed that we invested 78% in program services in (up from 72%), 15% in general and administrative costs (down from 21%), and 7% on fundraising (same as last year).

Why the shifts? Program services rose as travel and events increased. Fundraising remained unchanged. General and administrative expenses decreased as efficiency rose. Our auditors applaud our financial health.

WHY DID GTP ESTABLISH THE GTP TRUST FUND?

GTP created this fund to provide a place for givers to make large gifts for multi-year impact. This fund enables GTP to receive asset gifts such as stocks, gifts of property, or other complex gifts. GTP counts gifts to this fund as separate from giving to the general operating budget.

The GTP Trust Fund is not an endowment. GTP invests and expends both principal and interest each year to manage the growth of GTP and ensure the perpetuity of our purpose and programs. By design, the GTP Trust Fund balances short-term stability and long-term impact.

HOW DOES THE GTP BOARD MANAGE THE GTP TRUST FUND?

The GTP board stewards the assets in the GTP Trust Fund in accordance with the GTP Investment Policy to maximize asset values in the short-term to fuel strategic efforts in the long run. This ensures that GTP uses the resources in a God-honoring manner to grow further income and maximize program investment. With board approval, GTP uses these funds for supporting work such as capacity building, special projects, regional activities, and international summits.

FUTURE

GTP started by offering 4 programs in English or with translation to other languages. As we add staff and engage more volunteers, look for Spanish and Chinese teams to deliver program work with other languages to follow. Support has also begun to flow from givers all over the world. Pray with us for more servants and supporters to join this global movement.

TEACHING

Anticipate more travel to underserved countries to deliver biblical teaching on stewardship and standards.

PRAYER

Send Prayer Journal and rally monthly prayer in English and regional prayer in multiple languages.

TRAINING

Check out 2 new on demand courses based on the ECFA press books: The Sower and The Council.

COMMUNICATIONS

Expand the reach of our podcasts, ebooks, and other resources by using more social media platforms.

TEAMWORK

Respond to cries from workers in 15 countries wanting GTP to help start a PAG in their context.

TRANSPARENCY

Review the GTP Audited Financial Statements and invest in GTP and the GTP Trust Fund.

TOOLBOX

Check out new ebooks and for the release of the Diagnostic Tool and Templates in Chinese.

SERVICE

Activate more volunteers to equip more stewards to strengthen gospel ministry worldwide.
